The City Council wants and encourages citizen participation at Council Meetings. Your input and opinions count and are valuable. You are encouraged to bring forth your comments and issues at the appropriate point on the agenda.

A 15-minute maximum Open Forum is held at the beginning of each Council Meeting. At this time any person may address the Council on any subject pertaining to City business not listed on this agenda or scheduled as a future agenda item. The Council requests that you limit your presentation to 3 minutes. Anyone wishing to address the City Council on a particular item should raise their hand and be recognized by the Mayor. Approach the podium and speak into the microphone by first stating your name and address. Also, please record your name on the roster at the table near the door so that your name will be spelled correctly in the minutes.

Individuals should not expect the Mayor or Council to respond to their comments tonight; Council may refer the matter to staff for handling or for consideration at a future meeting. You are welcome to contact the city clerk at 763-531-5114 after the council meeting.
